

Hostel Structure

MNNIT, Allahabad is a residential Institute which is accommodating more than 4500 students in different hostels. There are eight boys hostels and three girls hostels to accommodate the students of the Institute in the comfortable and conducive manner. The available accommodation strength and present accommodation strength differ because of shortage of rooms due to increase of no. of students in the various hostels. Details are given below:

Sl. No.	Name of Hostel	No. of rooms	Available Accommodation Strength	Present accommodation strength after registration for odd semester of 2018-19
